CHRISTIAN COLLEGE

03-08-2020

#### Update #4: Confirmed Case of COVID-19

Parklands Christian College wishes to advise that the staff and students of our school are now in home quarantine until 6<sup>th</sup> August, 2020. The Metro South Public Health Unit has now advised the College community that all students and staff will be required to be tested on Monday 3<sup>rd</sup> and 4<sup>th</sup> August, irrespective of previous testing.

To accommodate this new testing regime, and to allow time for results to be returned, the College will now be closed until Monday 10<sup>th</sup> August, 2020. We hope that the College will once again be together on site to re-start school on this date.

Our staff are now busily preparing to provide learning at home for our students, and are re-launching our PCC@Home platform. Despite this further disruption to our community, we remain positive and we remain absolutely committed to doing everything we can to ensure our school has no further positive cases of the COVID-19 virus. Parklands has and will continue to follow all Government directions and advice to ensure the safety of our students, staff and Parklands community, and we will continue to provide updates as they become available.

We wish to sincerely thank the Metro South and Gold Coast Public Health Unit for their partnership during this difficult time. We also wish to thank the countless number of community members and fellow schools and associations for their support and encouragement. Finally, we also wish to thank our dear College community for their support in difficult times, we love you all.

Mr Gary Cully  
Principal
