Dear students, staff and parents

**Re: Person with COVID-19 infection attending Parklands Christian College**

A person associated with Parklands Christian College has been diagnosed with COVID-19 infection. Queensland Health is currently working closely with the College to assess the situation. Public Health advice will be provided to people who are identified as close contacts.

If you/your child or any family member is unwell, isolate immediately and avoid contact with others. If you or your child develop symptoms of COVID-19 you should arrange to consult a doctor or attend a hospital fever clinic for urgent assessment and testing. Please contact your doctor before arriving and inform them of your symptoms.

**A COVID-19 testing clinic will be set up at the Baskerville Sports Centre at the College, starting from the afternoon, Wednesday 28 July, where members of the College community can present for testing if you have symptoms or concerns.**

Symptoms of COVID-19 can include:

- Fever
- Cough
- Sore throat
- Runny nose
- Loss of taste or smell
- Tiredness and muscle aches
- Vomiting and/or diarrhoea
- Shortness of breath

Further information about COVID-19 is available via the link below:

<https://www.qld.gov.au/health/conditions/health-alerts/coronavirus-covid-19/stay-informed/testing-and-fever-clinics>

Please be assured that the occurrence of COVID-19 does not reflect negatively on Parklands Christian College or the person, as anyone can contract this infection.

If you have any questions, please speak to your doctor or contact 13Health.
